Other Conditions:

This Apparatus Assignment is subject to all conditions as specified in Regulation 10 and Regulation 22 of the Communications and Multimedia (Spectrum) Regulations 2000. The grant of this apparatus assignment ("AA") shall not be construed in any manner that authorisation has also been granted for the use of the network facility(ies), structure(s) and/or property(ies), relevant for the use of this AA for the provisioning of network services. The use of this AA shall be subject to the AA holder obtaining all necessary approvals from the relevant party(ies) for the use of the said network facility(ies), structure(s) and/or property(ies). For avoidance of doubt, property(ies) herein shall include the land where the network facility(ies) and/or structure(s) are erected and/or station(s) is located.
